- 1 x Reusable Applicator (integrated with the glass)

- 1 x Cleaning Kit (alcohol wipe, microfiber cloth, dust removal sticker)

Installation Instructions

- Clean your hands thoroughly.
- Power off your iPhone 16 Pro.
- Use the provided alcohol wipe to clean the screen, then dry with the microfiber cloth.
- Use the dust removal sticker to remove any remaining particles.
- Align the applicator (with attached screen protector) to your phone's screen.
- Press down on the center of the applicator and slide your finger outwards to apply the screen protector.
- Once applied, remove the applicator carefully.
- If any bubbles remain, gently push them towards the edges using the microfiber cloth.

Care and Maintenance

- Clean the screen protector regularly with a soft, lint-free cloth.
- Avoid using harsh chemicals or abrasive materials for cleaning.
- If the screen protector becomes damaged, replace it with the second one in the pack.

Safety Precautions

- Keep out of reach of children.
- Do not bend or apply excessive pressure to the screen protector.

- In case of breakage, handle carefully to avoid injury from glass shards.
